October 2020

Dear Friends,

We are excited to serve you in 2020!!! We appreciate each one of our past customers and would like to say, "Thank You for Your Business." If you're new, "Welcome to Jen's Wreaths."

Jen's Wreaths is a small McFadden family-owned business. We are located in the snowy, rural, northern part of Minnesota and handcraft fresh balsam fir holiday wreaths. We harvest Minnesota Balsam Fir responsibly with future generations in mind.

**NEW IN 2020** – 2020 has been an unusual year. We are thankful to be able to offer our fundraiser program again. It will be structured exactly the same as past years. Just a reminder that we no longer personally drive and deliver wreaths to ND, SD, WY. We are happy to service these states with reliable Fed-Ex or Spee-Dee delivery service.

**ONCE AGAIN** – We will strive to provide you with a quality wreath at a reasonable price. Jen's Wreaths takes quality seriously. We make each wreath as fresh as possible right before your order ships, and when storage is necessary we use a cool, humidity controlled room to prevent drying out. By working with us, you can take advantage of our helpful customer service & **no minimum order size**.

**Let us help you meet your fundraising goal.**

Inside this pamphlet you'll find an up-to-date 2020 fundraising packet. We hope you'll find the products great, the pricing competitive, and the process easy to understand. However, always feel free to call with any questions. Our office is now open for the season.

**Don't forget to REGISTER immediately, in order to reserve your group's spot!**

Sincerely,

Sam & Jenny McFadden

# Getting Started

1-(218)-246-3146

Jen's Wreaths is here to help your organization meet its fundraising goals by providing you with quality balsam fir products at reasonable prices.

## ***Selling Wreaths In 4 Easy Steps:***

**Step 1 PICK YOUR PROGRAM** — Decide which of the 2 bulk programs (described on the Pick Your Program Sheet) best fits your needs. Bulk means all the wreaths are shipped to one address and your organization passes them out. We have 2 program options under the bulk program: Some groups prefer selling a single wreath choice, while others want to present customers with a bigger selection of balsam fir products.

**Step 2 REGISTER YOUR FUNDRAISER** — Register online at [www.jenswreaths.com/fundraising](http://www.jenswreaths.com/fundraising)

**Step 3 BEGIN SELLING** — Get your sales force ready. Contact local businesses, neighbors, friends, relatives, & co-workers. We recommend you collect money at the time the order is placed. Periodically, we may check in with you via e-mail/phone. Do your best to communicate with us as to how you think your fundraiser is going, so we can plan accordingly. Follow all your LOCAL CO-VID restrictions.

**Step 4 SUBMIT FINAL TOTALS** — Tally up your total number of each item sold. Fill out the ORDER TURN IN SHEET. We can also verbally take your order via phone & fill out the sheet for you. Make sure you get us your final order totals on time! Full payment is made to Jen's Wreaths via credit card or check before your order is shipped.

We strive to provide the freshest wreaths possible.

Our family keeps future generations in mind and all of our balsam fir is sustainably harvested. We also purchase all necessary permits.

To insure optimum needle retention, we make sure that several hard frosts have taken place before picking any balsam fir.

We store wreaths in a cool, humidity controlled room to prevent drying out.

We are Members and/or support each of the following Organizations, to keep us up-to-date and educated about our natural resources.
