SALES MATERIALS

All Sales Materials Can Be Downloaded Directly From:

<http://www.jenswreaths.com/fundraising>

If you experience any difficulties please contact us immediately.

We are getting away from mailing flyers and e-mailing the flyers to help keep our costs to a minimum so you can have an affordable wreath program with great profit potential.

PROFIT POTENTIAL – 2023 Updated Example

Be sure you fully understand that you as a club/organization choose your own retail price. Having personally sold wreaths door to door in college, I would highly recommend marking them up at least \$10 for a solid ten dollar profit per item.

EXAMPLE – BULK SHIP (Bulk Ship is when all items are shipped in 1 shipment directly to you/the club to pass out to customers.)

Let's Say you choose this price for
your club to sell your wreaths at
24" Traditional Wreath - Your Retail + \$42.50

Let's say you live in Oklahoma (see the Purple Zone 3)...
Look at the (Bulk) Shipping & Pricing page
The cost to your group is: - \$32.50

TOTAL PROFIT ----- \$10.00 per item

****NEW THIS YEAR** You must order by the case, so you'd have to order Qty. 6 of these wreaths or there is a \$5 surcharge for any items not part of a case. Factor this into your planning & pricing!**

EXAMPLE – DROP SHIP (Remember Drop Ship is when are mailing each individual wreath directly to each customer. There is NO CASE SIZE requirement for Drop Ship!)

Let's Say you choose this price for
your club to sell your wreaths at
24" Traditional Wreath - Your Retail + \$62.00

Look at the (Drop) Shipping & Pricing page
The cost to your group is: - \$55.00

TOTAL PROFIT ----- \$7.00 per item

September 2023

Dear Friends,

We are excited to serve you in 2023!

Jen's Wreaths is a small family-owned business. We are located in the snowy, rural, northern part of Minnesota and handcraft fresh balsam fir holiday wreaths. We harvest Minnesota Balsam Fir responsibly with future generations in mind.

CHANGES FOR 2023

- **Pricing Increases** – Be sure to increase your retail selling prices.
- **Residential Deliveries** cost \$6.50 EXTRA per box. Our prices are set for delivery to a Commercial/Business address for ZONE 3 (areas outside the Spee-Dee Zone) serviced by UPS.
- **Any items not ordered by the case** will be surcharged \$5 extra per item to cover the extra labor to pack your unique box and cover inefficient shipping excess costs.
- **A CAP on how many fundraisers we ship a week.** Minnesota and Midwest customers need to take EARLY to MID November delivery dates so we can accommodate warmer states for LATE November and December. **EVERYONE CANNOT GET THEIR WREATHS THANKSGIVING WEEK!** We are a small shop and can only do 1 fundraiser a day and have several bigger ones now that need 3 days of our shop's time.

ONCE AGAIN – Jen's Wreaths takes quality seriously and we care about your success. We make each wreath as fresh as possible right before your order ships. We have helpful customer service and are here to help you each step of the way.

Let us help you meet your fundraising goal.

Inside this pamphlet, you'll find an up-to-date 2023 fundraising packet. We hope you'll find the products great, the pricing competitive, and the process easy to understand.

Don't forget to REGISTER immediately, to reserve your group's spot!

Sincerely,

Sam & Jenny McFadden

Getting Started

1-(218)-246-3146

Jen's Wreaths is here to help your organization meet its fundraising goals by providing you with quality balsam fir products at reasonable prices.

Selling Wreaths In 4 Easy Steps:

Step 1 PICK YOUR PROGRAM — Decide which of the 2 bulk programs (described on the Pick Your Program Sheet) best fits your needs. Bulk means all the wreaths are shipped to one address and your organization passes them out. We have 2 options under the bulk program: Some groups prefer selling a single wreath choice, while others want to sell several wreath designs.

Step 2 REGISTER YOUR FUNDRAISER — Register online at www.jenswreaths.com/fundraising or via paper form (Be sure you get a confirmation from our office that we received your registration.)

Step 3 BEGIN SELLING — Get your sales force ready. Contact local businesses, neighbors, friends, relatives, & co-workers. Use texts, email, and social media to share. We recommend you collect money at the time the order is placed. Periodically, we may check in with you via e-mail/phone. Do your best to communicate with us as to how you think your fundraiser is going, so we can plan accordingly.

Step 4 SUBMIT FINAL TOTALS — Fill out the ORDER TURN IN SHEET & email that sheet to office@jenswreaths.com. *****ANYTHING NOT ORDERED BY THE CASE HAS A \$5 SURCHARGE PER ITEM.*****
Make sure you get us your final order totals on time or your wreaths could be delayed! Full payment is made to Jen's Wreaths via check before your order is shipped. Credit cards can be used but 2% will be added to your order.

We strive to provide the freshest wreaths possible.

Our family keeps future generations in mind and all of our balsam fir is sustainably harvested. We also purchase all necessary permits.

To ensure optimum needle retention, we make sure that several cold nights of frost have taken place before picking any balsam fir.

We store wreaths in a cool, humidity-controlled room to prevent drying out.

We are Members and/or support each of the following Organizations, to keep us up-to-date and educated about our natural resources.

Deadlines & Payment

1-218-246-3146

Payment Terms

On large orders and new customers we ask for a 10—25% downpayment. The entire balance of the order must be paid for before it leaves our shop. Please plan ahead if your school/organization requires a lengthy payment process. Payment must be mailed to us via check. We charge a 2% fee for credit cards.

Order Deadlines

To be certain that your order will arrive on time, please adhere to the deadlines below. Orders need to be e-mailed to our office using the FINAL TOTAL SHEET. Our goal is to generate your invoice within 24 hours. If you do not receive confirmation within 1 Biz Day please call our office.

Delivery Date

WE CANNOT **GUARANTEE** YOUR ORDER WILL ARRIVE ON A SPECIFIC DATE! —> **We need a 3-day window.** Orders turned in LATE will be delayed. Upon receiving your registration, we will put you on our shipping calendar and assign a date (we will try to get as close to your preferred date as possible). We consider delivery the day before or the day after your preferred date acceptable. Sometimes Jen's Wreaths has more staff on a given day than expected and we may ship a couple days early. We frequently see 1-3 day delays that are out of our control due to snow/ice. Shipping has become even more unpredictable and flexibility is a must. We often see multi-piece orders separated in transit with 1/2 arriving one day and 1/2 the next.

Please ask for your wreaths to arrive several days early, if a certain delivery date is very important.

Minnesota & Midwest customers with colder climates need to take the earlier delivery dates.

Shipping 2023

1-218-246-3146

Shipping Costs, A Note About Plastic Bags, Hangers & Plaid Bows:

Shipping is already included in the price of each item/case. We changed vendors for door hangers this year and the color likely will be bronze but we can't guarantee color. We changed from 2 mil to 1 mil plastic bags after lots of testing and the bag option went DOWN in cost this year because of this. We expect to run out of our long standing plaid bow print, a substitute plaid print will be sent when this happens.

Shipping Carriers:

Spee-Dee Delivery Service will be used for Midwest addresses in ZONE 1 & 2. UPS will be used for ZONE 3. We reserve the right to change carriers at any time due to unforeseen price increases or frequent delays with certain carriers.

Local Pick-Ups @ Our Farm:

If you live within driving distance of our farm, you are always welcome to pick up your wreaths at our Deer River, MN location and avoid any shipping charges. We live and work here so can usually accommodate most pick-up times including weekends and late at night. You would pay the Local Pick-Up @ Jen's Wreaths prices. Local Customers can choose to pay for their wreaths to be bundled with twine or pay extra for boxes. **Please bring adequate tie down straps.**

UPS Surcharges Zone 3 – Residential vs Commercial:

All prices are based upon delivery to a business/commercial address. Typically, schools, club headquarters, and churches fall into this category. We fully realize the convenience of having the delivery come directly to your house. We are still happy to send items directly to the fundraiser director's home etc. However, we incur surcharges for each box shipped to a residential address. If you chose to send the shipment to your personal house/residential address we will pass along the \$6.50 per box (UP \$4 from last year) that UPS charges us to you.

Why Cases?

We started case sizes last year and are staying with this method. We did make the CROSS & CANDY CANE case sizes smaller so it should help. I realize it's harder for the groups but we've seen a continuing increase in prices that if we don't continue this it reduces your profitability. We want our groups to make as much money as possible to meet their goals.

Counting odd numbers of wreaths takes LOTS OF EMPLOYEE time. 3 years ago \$10 an hour for seasonal flexible work was the going wage, 2 years ago it was \$15 and we are projecting \$17 - \$22 for this season. Ordering by the Case helps reduce our labor costs. We provide over 40 people employment and we all are grateful for each and every customer/fundraiser group.

Any items not shipped by the case can be purchased but will incur a **\$5 per item** surcharge

Jen's Wreaths is here to help your organization meet its fundraising goals by providing you with quality balsam fir products at reasonable prices.

Selling Wreaths In 4 Easy Steps:

Step 1 PICK YOUR PROGRAM — Decide which of the 2 drop-ship programs (described on the Pick Your Program Sheet) best fits your needs. DROPSHIP means all the wreaths are shipped individually directly to the person who ordered/gift recipient. We have 2 program options under the drop-ship program: Some organizations prefer selling a single wreath choice, while others want a whole array of balsam fir products. **YOU CAN DO BOTH THE BULK & DROP SHIP PROGRAM TOGETHER or SEPARATE!**

Step 2 REGISTER YOUR FUNDRAISER — Register online at www.jenswreaths.com/fundraising

Step 3 BEGIN SELLING — Get your sales force ready. Contact local businesses, neighbors, friends, relatives, & co-workers. We recommend you collect money at the time the order is placed. Periodically, we may check in with you via e-mail/phone. Do your best to communicate with us as to how you think your fundraiser is going, so we can plan accordingly.

Step 4 SUBMIT FINAL TOTALS — Fill out the ORDER TURN IN SHEET & email that sheet to office@jenswreaths.com **along with a COPY of each individual order.** There are no case quantities for drop ship wreaths. Make sure you get us your final order totals on time or your wreaths could be delayed! Full payment is made to Jen's Wreaths via check before your order is shipped. Credit cards can be used but 2% will be added to your order.

We strive to provide the freshest wreaths possible.

All our balsam fir is sustainably harvested. To ensure optimum needle retention, we make sure that several hard frosts have taken place before picking any balsam fir.

We also store our wreaths in a cool, humidity-controlled room to prevent drying out.
